Meet Julie Glenn!

Julie has been sewing since she was just a kid and has stitched just about everything under the sun. A

self-proclaimed project collector and notions enthusiast, she has only met two gadgets she didn't like. Ask her which ones, and about the names of her faithful sewing machines, next time you stop in! Julie especially enjoys pairing technology with sewing, and hosts our Software Sampler and fun-filled Early Bird Clubs. You'll also find her staffing our new Machine Embroidery Open Sew sessions!

209 Software Sampler with Julie Glenn

Learn how to turn your creative ideas into artfully embroidered reality with this once-a-month series of exclusive Bernina software webinars. In each session you'll see a project created, have the opportunity to discuss and review techniques with Julie, and receive your own instructive CD with digitizing and sewing instructions. Return the following month with your completed project and your session is free!

First Saturdays of each month:

May 1, June 5 & July 3

11:30 am-12:30 pm

Enjoy summer break in August!
